Flexibility	Choice of Microsoft Exchange, SharePoint, Office Apps and Lync, plus our in-house online backup, compliance and archiving solutions.	Only email and basic Google Apps available

## Why choose MEW Tech Solutions' Hosted Exchange instead of Gmail by Google?

- ✔ Manage/keep relationships with your clients.
- ✔ We are your one-stop shop, offering a full set of cloud solutions available under one management portal.
- ✔ We offer 24/7/365 immediate support for ALL issues.
- ✔ Our experienced migration team offers free migration and onboarding.
- ✔ We offer competitive prices. You benefit from healthy margins because you set your own customer pricing and own the billing.
